

The Lakes Region Conservation Trust was founded in 1979 to conserve the natural heritage of New Hampshire's Lakes Region.

Our conservation and stewardship work preserves community character, conserves critical wildlife habitat and diverse ecosystems, protects natural landmarks and scenic landscapes, and provides outdoor recreation opportunities for people of all ages.

Together with our dedicated community of supporters, we have conserved more than 100 irreplaceable properties totaling over 21,000 acres. These conserved lands encompass many of the special places that define this unique and spectacular part of New England, affording everyone abundant opportunities to explore and connect with the natural world and establishing a legacy of conservation for our children and grandchildren to inherit and enjoy.

LAKES REGION CONSERVATION TRUST PLANNED GIVING

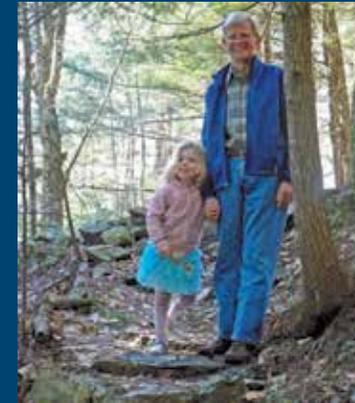

*Make a lasting investment in conserving
the natural heritage of the Lakes Region.*

Leave a Legacy for Future Generations

Support for the Lakes Region
Conservation Trust

through a bequest or
other planned gift is a
way to make a lasting
investment in the
conservation of the
natural heritage of the
Lakes Region of New Hampshire.

When you make a planned
gift to LRCT, you join

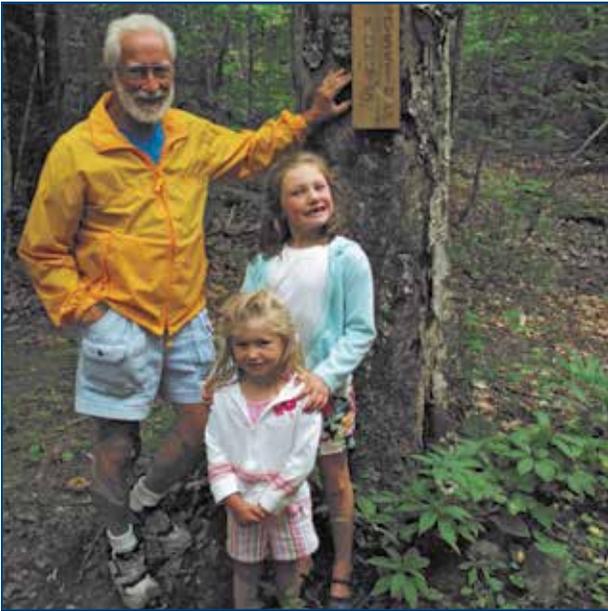

a group of exceptional
supporters committed
to conserving the
special places that
define this unique
and spectacular
region for future generations.

LEAVE A LEGACY THROUGH A PLANNED GIFT TO LRCT

Make a Lasting Impact

Support for the Lakes Region Conservation Trust through a planned gift is an effective and powerful way to demonstrate your commitment to the conservation of our region's natural heritage. By including LRCT in your will or estate plan, you will make a tangible and lasting impact on the conservation and stewardship of the special places that define the Lakes Region.

Plan for the Future

Whatever the size of your estate, planning is essential to ensure that your goals for your assets are fulfilled.

Planned giving can take many forms, including a bequest to the Lakes Region Conservation Trust, naming LRCT as a beneficiary of a retirement account or life insurance policy, a charitable annuity, a charitable remainder or lead trust, or a remainder interest in real property.

Depending on your particular situation, there could be financial and/or tax benefits to making a planned gift.

Define Your Vision

If you wish to consider a planned gift to LRCT, we would be pleased to assist you in defining your vision for this investment and directing your gift in a way that will best fulfill your wishes for the future. Future support through a planned gift can be directed to LRCT's endowment or to a particular LRCT program or conserved property.

We Can Help

If you are interested in including a charitable bequest to LRCT as part of your estate plan or establishing another form of planned gift, we would be happy to provide you with guidance.

Our staff and advisors are available to meet with you to discuss your objectives and to work with you on this essential planning. In addition, we encourage you to consult qualified professionals (e.g., an attorney or financial advisor) as you move forward.

Thank you very much for considering a planned gift to the Lakes Region Conservation Trust.

*A gift of any kind to the Lakes Region Conservation Trust is an act of generosity and dedication.
A planned gift in support of the natural world affirms your conservation vision for the future.*

Become a Part of the Legacy Society

The Legacy Society honors individuals who provide future support for LRCT through a planned gift.

If you intend to make a planned gift to LRCT, we encourage you to share your plans with us in advance so that we can include you in the Legacy Society, learn more about your specific interests, and discuss how you would like your gift to be directed.

Sharing your plans places you under no obligation. All wishes for anonymity will be honored.

If you are considering making a planned gift to the Lakes Region Conservation Trust and would like further information, please return the enclosed reply card, or contact Don Berry, President (603-253-3301; dberry@lrct.org) or Kristen Clothier, Director of Development (603-253-3301; kclothier@lrct.org).
