## *Conserving the Natural Heritage of New Hampshire's Lakes Region*

### 2016 ANNUAL REPORT

Time and again we hear that LRCT is like family. We certainly feel that way, and it's a nice reminder to hear it from our volunteers and supporters as well. At LRCT we are proud to play a role in making New Hampshire's Lakes Region a wonderful place to live, work, vacation, and raise a family. We are humbled and grateful for your strong support. The many important ways in which you contribute to LRCT's accomplishments and successes is inspiring. We are honored to share with you this report of your investment in LRCT and we hope that you will continue to help us in spreading the word of the benefits of land conservation and stewardship for all of us today and for generations to come. Thank you!
