

Get \$23-32 a month off of your NH Electric Co-op electricity bill as a participant in the **NH Solar Shares Program**, a free program of the **Plymouth Area Renewable Energy Initiative (PAREI)**

Reduce your energy bills as a NH Solar Shares participant!

NH Solar Shares is a community solar program with **100%** of the solar electricity from our three solar arrays going to our participants as a credit of \$23-32 every month on their electric bills. The program is open to individuals and families who get their electricity from NHEC and:

- Receive **NH Fuel Assistance or Electrical Assistance (EAP)**, or
- Live in **low-income housing**, including recently built Habitat for Humanity homes.

The program is open to residents of: **Plymouth, Campton, Warren, Wentworth, Rumney, Center Harbor, Holderness, Sandwich, and Moultonborough**

- Once signed up, monthly credits last for two years.
- Sign-ups are on a first-come, first-serve basis, so contact us today!
- There is no fee, ever, to participate.

For more information or to sign up, call the **NH Solar Shares/PAREI office** at **(603) 536-5030**, email us at nhsolarshares@plymouthenergy.org, or visit <https://nhsolarshares.org/>

NH Solar Shares currently has arrays in Plymouth and Warren. A third is being built in Center Harbor. 100% of the solar electricity from the three arrays goes to our participants as credits on their NHEC electric bills.

Become a participant today!

The Solar Shares program allows low-income families to benefit from the cost savings and environmental benefits of solar energy. Participants also receive energy savings tips through the program.
